

## Rowdyrick's Fender Kit Guarantee

The Rear Fender Kit is 100% satisfaction guaranteed for 30 days from purchase. If you run into any fitment issues or are unsatisfied for any other reason, simply return the "entire" kit contents, for a full refund. The structural parts themselves have a limited lifetime guarantee for normal use (normal use would not include a motorcycle accident). The structural parts are the stainless steel brackets & aluminum nut blocks and the attaching hardware for them.
